

**When God doesn't bless
everyone,
what can we do?**

Add to list

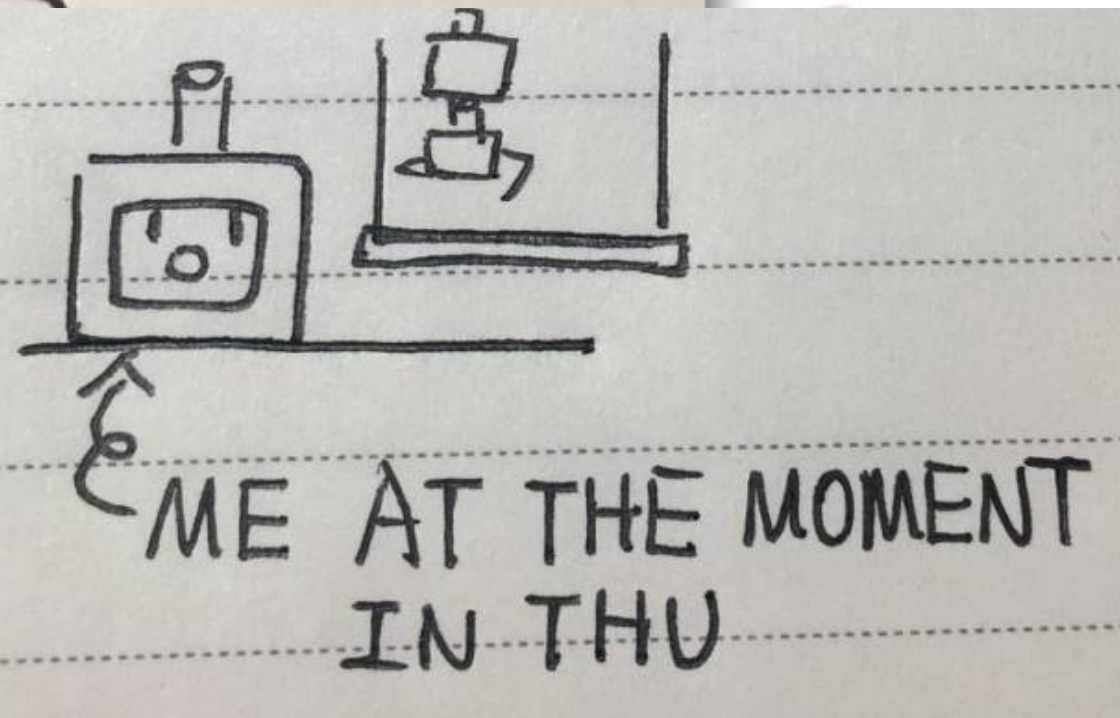

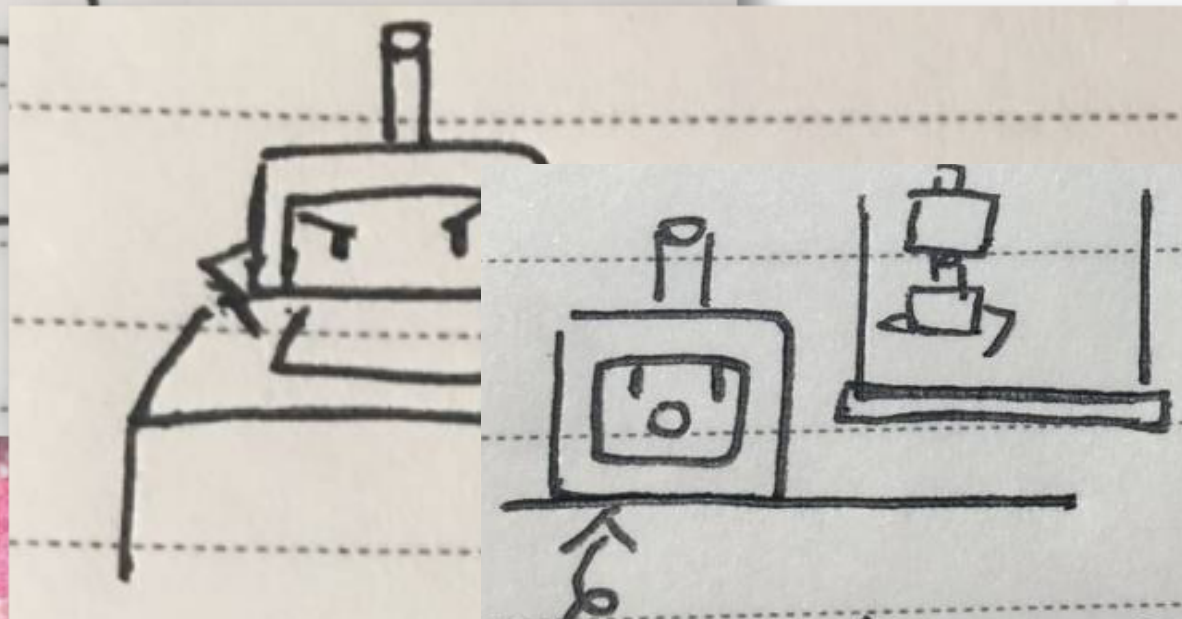

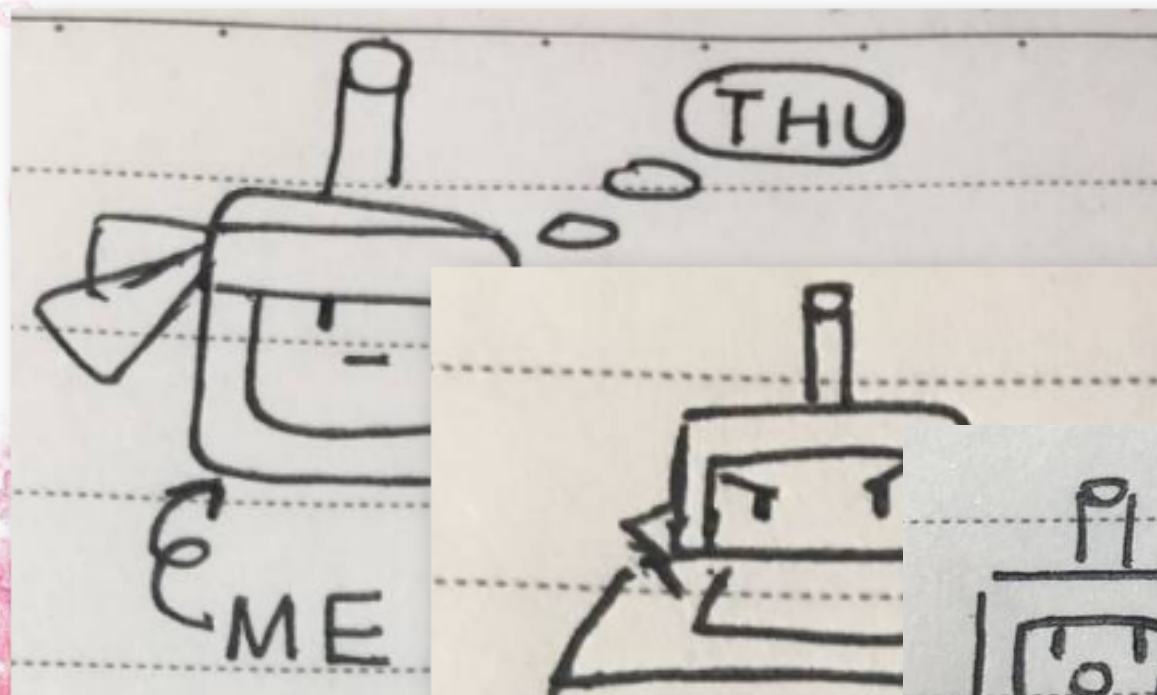

Recommend

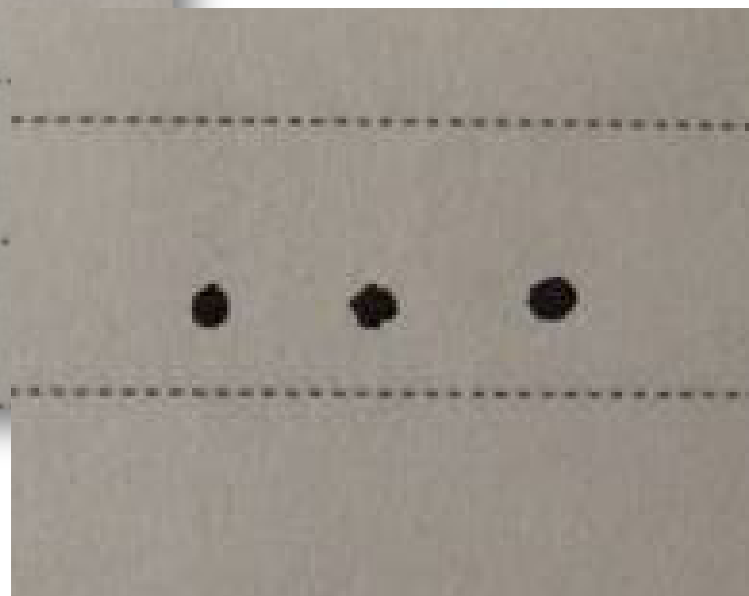

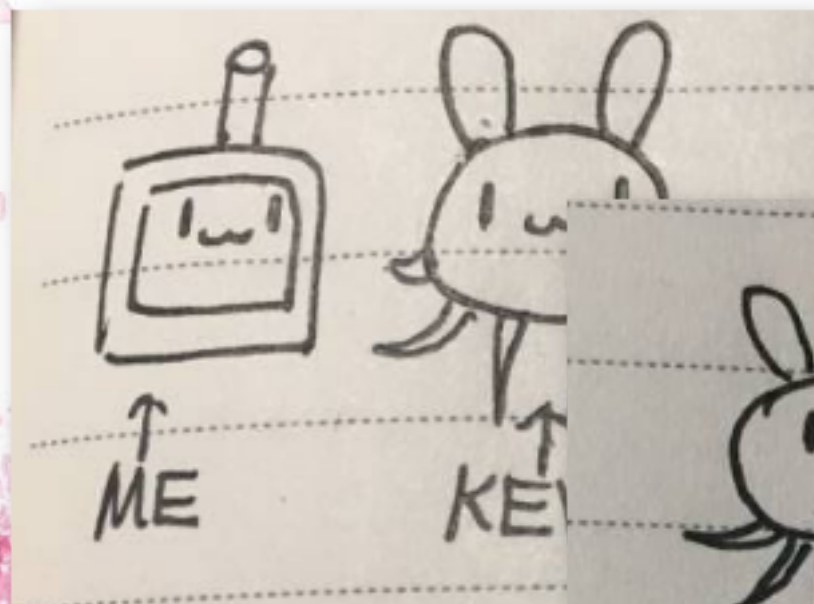

**Luck plays a far more important role
than we expect.**

6:47

Not everyone
is blessed with good fortune.

**Then,
What can we do?**

Where there is a will, there is

① Admit the importance of luck

no way sometimes

Is that enough?

Barry Schwartz TED2020

What role does luck play in your life?

“Do what you can to make sure that we honor and take care of people who are just as deserving of success as we are, but just not as lucky.”

③ Try our best to help those
who are less lucky than us

Conclusion

- ① Admit the importance of luck.
- ② Still, have a will and strive for it.
- ③ Care about those kind, hard-working but unlucky people.

A watercolor illustration of a landscape. In the foreground, there are green bushes and small white flowers. In the background, there are several trees with pink and yellow foliage. Pink petals are falling from the trees, creating a soft, dreamy atmosphere. The text is centered in the middle of the image.

**When God doesn't bless everyone,
we can always bless each other.**
